# *HANDS ON IMAGE*

Hands On Image is a how-to-book that brings out each person's ability to enhance their own beauty through easy-to-follow and colorfully illustrated make-up techniques. Readers enjoy the insight and experience of a Hollywood Insider with a *down-to-earth* practical approach that works for *everywoman*.

As readers discover and apply simple celebrity make-up trade secrets, they build confidence in their ability to be their own make-up artist. Readers gain self-assurance as they develop their "*artist- within*" from professional makeup techniques, perfected over time. In addition, readers shine from within while developing their inner beauty, making them look and feel prettier.

Hands On Image is divided into five chapters and - nine easy to follow steps. Women from a variety of lifestyles, all ages, and ethnic backgrounds learn how to enhance their best features through easy and soft styling.

Simple instructions fill the needs of the *on-the-go soccer mom*, the focused professional, the *on-the- move* executive, or those in the public eye seeking a natural or evening-out enhancement. Hands On Image also includes beautiful illustrations that teach all women how to create a natural classic look that is simply *beautiful*.

The five chapters address:

- ~ Organizing your make-up area
- ~ Product information
- ~ Proper brush usage
- ~ Nine easy to follow make-up steps
- ~ Natural body skin care
- ~ Important final touches - hairstyling and wardrobe

*From teenagers to baby boomers to active seniors ....* Readers create their own personal artistic palette so the beauty on the outside matches the beauty on the inside.
